Subject: COMMUNICATION BRIEF
Responses to the Report of the Task Group on Conflict Free Case Management

Purpose: To provide the Department of Health Care Policy and Financing's (Department) responses to the recommendations in the Report of the Task Group on Conflict Free Case Management, submitted to the Department by the Conflict Free Case Management Task Group on October 31, 2014.

Background: The Department convened a Task Group of stakeholders in February 2014, which was charged with developing recommendations for the implementation of a conflict free case management system for individuals receiving services in the the Home and Community Based Services waivers in Colorado. The Task Group held nine meetings and concluded their work with the Report of the Task Group on Conflict Free Case Management. Details of the work of the Task Group are included in the report, which is attached. The report contains policy recommendations for the implementation of conflict free case management in the state. The recommendations are provided in the Report of the Task Group on Conflict Free Case Management, released for public comment on February 5, 2015.

Procedure or Information: Attached are the recommendations from the Task Group report and the Department responses to the recommendations. The entire report can be viewed on the Department's web page for the [The Conflict Free Case Management Task Group](https://www.colorado.gov/hcpf/DIDD-conflict-free-case-management) (<https://www.colorado.gov/hcpf/DIDD-conflict-free-case-management>).
